Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Monday 11 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain, hill snow clearing this evening. Dry and cold Tuesday.

This Evening and Tonight:
Rain and hill snow at first but soon clearing this evening, then dry with long clear periods developing. A cold night with a widespread sharp frost and a risk of icy stretches. Light northwest winds, though fresher towards the coast,. Minimum temperature -7 deg C (19 deg F).

Tuesday:
Cold, with frost and ice slow to thaw but a mostly fine, dry day with plenty of crisp winter sunshine. north or northwest winds falling light. Maximum temperature 3 deg C (37 deg F).

Outlook for Wednesday to Friday:
Mostly cold and bright Wednesday, but rain later, snow falling on hills in far west, but increasingly to low levels elsewhere. Rain and snow clearing later Thursday. Drier, brighter Friday.
